Worshipping Christ Jesus and sharing Him with others

No Longer Strangers

In some ways, strangers are people we have not yet met. All of our life we meet people for the first time. Some of those people we may never see again, but many will become friends who are no longer strangers.

The most important connection we need to make in life is the connection with God our Creator and Saviour. It's not a case of cleaning up our act and hoping we're good enough, or of performing certain rituals, it is a case of placing our unreserved hope in Christ Jesus alone. There is no other way but through faith in Christ that makes us right with God and makes us acceptable to God.

In Christ Jesus we have every spiritual blessing that connects us with God.

Be blessed in Christ today.
