*this is motherhood*

Through the ups and downs of motherhood, no one better understands what it takes to be a mum than other mums.

At MOPS women meet together to be supported, encouraged and equipped as they raise the world together. Remarkable things happen when mums find their place in a mothering community and discover they are not alone.

Mums face unique needs, challenges and joys in this vital season of early mothering. At MOPS every mum is welcomed, accepted and encouraged to reach her potential and recognise her influence with her family and her world.

We are planning a combination of day and night time MOPS meetings next year. The day meetings will include kids and carers. The night ones will be for mums only. These are a great opportunity to reach out and invite non-church mums in our community. MOPS is a great way to introduce mums to Jesus through a shared mothering experience.

Our Christlife leadership group are meeting on Jan 16 to plan for our 2021 year. If you are interested in being involved please chat with Bec 0408670507 or Judith 0414321161.

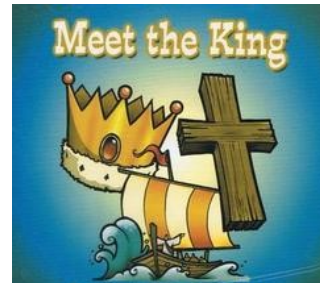

We would value your prayer support for our group.
