## CONGREGATIONAL MEETING

Today, 15th November 2020  
following the morning service

The Purpose of the meeting is

1. Seeking approval of the Ministry Support Fund Schedule (MSFS) to reinstate Pastoral Care Minister to 100% appointment, and
2. Sharing information about investing and use of the funds from the sale of the land with the Congregation.

### Church Consultancy— #2: Saturday 28th November 2020

You are invited to participate in the second of our Transitional Church Consultancy days to be held on Saturday 28 November 2020 at the church facility from 9am-2pm. This event will be facilitated by David and Kathy Thurston from the Committee for Ministry Resourcing for the Presbyterian Church in Queensland. This Vision Day will focus on God's vision for Christlife in the future and in particular, what characteristics the congregation are looking for in a future minister. This process will feed into the church's selection process for a new minister. Everyone is invited to participate in the activities of this day regardless of whether you attended the last consultancy event. The day will include small and large group activities, prayer and plenty of time for processing ideas with one another. Please be praying for God's guidance for this day and the future, for one another as we listen and care and for the leadership of the church as they seek to steer the church through the period of vacancy.

Please indicate your intention to attend by 22nd November 2020 in the green folder

### Kings Kids Service:

6th December at 9.30am

Come and ... Meet the King

All Welcome

Dear Brothers and Sisters in Christ,

When we gather on Sunday the 15<sup>th</sup> November the Committee of Management will be providing information on potential options that could be adopted regarding the management of the funds from the sale of the land.

This information session is the beginning of a process which is aimed at increasing the involvement of everyone in the decision making process and it will also help to identify the Church's vision as to how the funds will be managed.

The process involves the below steps

Step 1) Information session showing three broad options (November 15<sup>th</sup>)

Step 2) Circulate information provided at the information session (Step 1) for at least 4 weeks

Step 3) Congregational meeting to allow the congregation to vote on the three broad options. This meeting date has not been set and will most likely occur in the first quarter of 2021.

Step 4) Information session showing more detailed options that are aligned with the broad option chosen by the congregation.

Step 5) Circulate information provided at the information session (Step 4) for at least 4 weeks

Step 6) Congregational meeting to allow the congregation to vote on possibly three detailed options. This meeting date has not been set and will most likely occur towards the end of the first quarter of 2021.

The above process and timing of steps may vary however this is what I believe to be the intended format. It is a lengthy process which is designed to eliminate the confusion that could occur if the decision was to be made at just one congregational meeting. This is due to the fact that the funds could be used and managed in a thousand different ways.

With prayer and a deliberate thoughtful decision process, it is the hope that the Lord will guide us to making the correct decision.

Your Brother in Christ, Rob Bartley
