Myanmar.

An Army document has been discovered instructing soldiers to punish and breakdown" ethnic-minorities, ie Christians and other civilians have been deemed to be against the military regime.

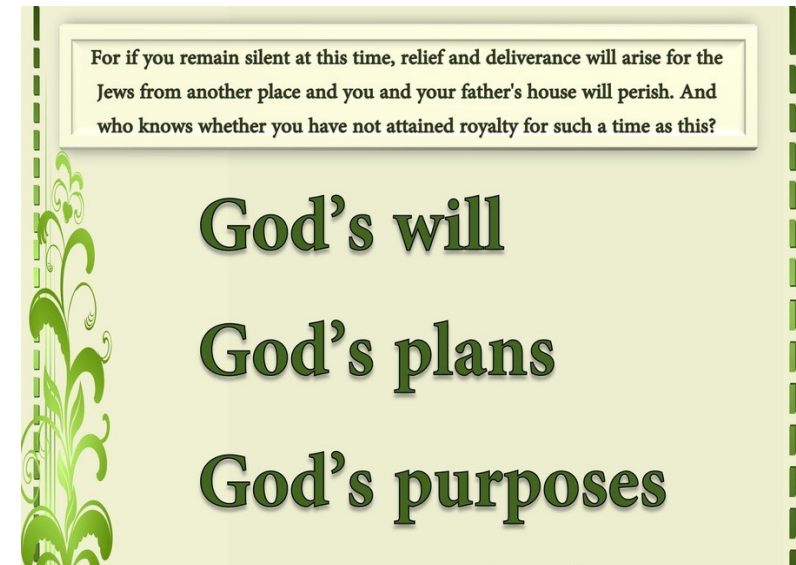

There are many Christians amongst both the Karen and the Kachin ethnic groups. The directives include special instructions to round up any dissenting civilian doctors and nurses and to report on any local leaders who are not fully cooperating with the military. Christian leaders in the region have requested prayer for the people of Myanmar and for a "change of heart" of army and coup leaders.

Please pray for the Karen people in hiding in the jungle., where thousands of Christian villagers have fled

What is the "Hippo" About? (near the offering bags)

This is to support our Compassion Child for Kings Kids, Lovely Cheril Manopo
 Every week could you drop any loose change into Hippo to enable our support to continue

A letter just received from Lovely.

"Dear everyone at King's Kids. Greetings in the love of God. She hopes you are all in good health like her family. Due to Covid Lovely has only been able to study at home. She is grateful to God for keeping her safe, where all her family follow the health protocols. A tutor visits her from time to time to bring support. Thank you. God be with us. Greetings and prayer. Lovely, assisted by her Mother"
