Your freewill offering

Due to Covid restrictions, the church is not permitted to circulate the offering bags, as we have done so in the past. The offering bags are available on your left as you enter the auditorium, for you to place your offering. EFPTOS machine is also available.

Like drops in a bucket through the support of ENGAGE (Mission) and Itchin'4 Stitching, and from other churches to Shiloh Ministries India, God has caused that bucket to overflow with blessings. That overflow has continued to spread and spread. On 18 March, Shiloh Ministries were awarded an International Global Freedom Award for their love and care to over 15,000 people during their Covid crisis. Our God is amazing, with all glory and praise to Him

At the Annual Congregational Meeting it was brought to Session's attention the importance of Small Groups and the role they play in building community within our church

To assist in guiding new people to a small group, could each small group leader email to admin@christlife.org.au the particulars of when and where your group meets, so an up-to-date record can be made available. Thank you for your assistance with this matter
